# Food Production Certificate

Certificate: 97-316-3  
Campus: Fond du Lac

## Description

The Food Production Certificate provides a convenient, short-term set of courses for people who currently work in the food service industry and wish to upgrade their skills and obtain formal training.

This certificate allows students to take associate degree courses without the time commitment of a full-time program.

## Outcomes

- Prepare foods in a safe, sanitary and nutritious manner.
- Upgrade skills in food production.
- Complete national sanitation certification.

## Opportunities for Advancement

Graduates of the certificate are encouraged to continue their formal training. Moraine Park also offers a technical diploma in Food Service Production and an associate degree in Culinary Arts. The certificate credits are transferable to the Culinary Arts associate degree and the Food Service Production technical diploma programs.

## Admission Process

- Submit the college admission application.
- Submit the \$30 one-time fee.
- Meet with an admissions specialist to determine the best course sequencing (strongly encouraged).

## The Final Steps

When you are in the last semester of coursework, complete the graduation candidacy form and submit it with the \$25 fee to the Registration Office.

Note: Students must purchase a uniform and knife set for this certificate.
